watching WHSG-TV, channel 63 on a regular basis, at least 2 hours

through March 1, 1992. Indeed, I have continuously watched channel
63, although I am here confining my comments to the February 22, 1991 -
February 27, 1992 time frame. Watching channel 63 has been a positive
experience that has helped me deal with my problems.

(Describe in your own words, how watching channel 63 has affected
your life.)

It set many examples
on kids. Because of children's
programs. And the way they do
the adult TV programs. The
programs on TBN or channel
63 really move my heart.
The praise and the praise-
a-chorus a very helpful
to TBN and I wished that
every TV station was like
channel 63. Because it
is very contrasting. I
learn more and more
about Jesus Christ and hope
it will always be here.

What I have described is true. I give this testimony under penalty
of perjury of laws of the state of Georgia, and I understand that this
completed form will be submitted to the Federal Communications Commis-
sion in connection with WHSG-TV's renewal application.

other stations on the air, it is positive in its content,
it does not portray ideals and immoral viewpoints which the
other networks pour through the airwaves.

I am a Christian who has had a total change of heart,
mind and soul since I accepted Jesus Christ. I have not
only been entertained but also been taught about the word
of God, the Bible. I have been blessed numerous times
by TBN's ministry and I know millions of others have
also. I believe the hand of God is on TBN and anyone
who tries to remove it from the air is making a
terrible decision.

Channel 63 has taught me about

on a daily basis and is almost the
only channel my family watches.
Channel 63 is the only channel that
teaches morals and wholesome family
Christian values. I would be devastated
if the channel were taken from us
because it is basically the only
channel I watch.
